

Things To Do and See On the Island This Summer!

What's the latest on Cayman? Well, it's a little hard to fix perfect, right? But there are ways to spice it up.

Batabano Festival is right around the corner in May. "Batabano" was the original name of Cayman Carnival, chosen as a salute to Cayman's turtling heritage - Batabano refers to the tracks left in the sand by turtles as they drag themselves onto beaches to nest. Finding turtle tracks on the beach was and still is reason to celebrate in Cayman, thus, Cayman Carnival Batabano. Needless to say, Batabano Carnival is a true Caribbean tradition - a cultural kaleidoscope of music, dance and pageantry with roots mirroring the region's diverse history of African and religious influences.

Also, Corals Sands has drummed up some discounts for those of you that choose to take your vacation from May through September of 2008. Jason, from Ambassador Divers has agreed to extend a 10% discount on any of his services. You can arrange dives and other excursions by going on his website, www.ambassadordivers.com.

Our good friends at Rackam's have also agreed to the same. So you can sit sea side at a 10% discount and enjoy a cold beverage and some spicy calamari!

Of course, there are still the favorites of Cayman Island excursions. Sting Ray City, Rum Point, Boatswain's Beach, Deep Sea fishing.... And the list goes on and on. So actually, the only thing we're missing... IS YOU! COME SOON, MON!

Great Summer Special

May – September Only!

Stay one week only **\$1000** USD!

Limited Spaces Available!!!

Could you use \$385?

As we all know, “word of mouth” is the most effective way of advertising. As a result, we have developed a referral program which rewards our owners personally for spreading the news about Coral Sands to your family and friends. The referral program rewards you for each and every one that gets involved and purchases a membership with us.

Also as a thank you for your referrals, we will pay ½ of your yearly maintenance fee for each referral that becomes an owner at Coral Sands. That is \$385 for your efforts!

This is your opportunity to refer those that you really want to vacation with each year.

Contact Vickie Griffith vgriffith@defenderresorts.com with the names of your referrals.

Reservations Corner

Dear Coral Sands Owner,

Many members have mentioned the Coral Sands reservation request process is not practical. As they stand, the rules state reservations cannot be booked more than one year in advance, and due to this policy, members are calling and/or emailing immediately at midnight, or shortly thereafter, the day of. This situation has often resulted in members requesting the same unit(s), but only minutes apart, leaving the second member disappointed; or members who are unable to call until early morning are.

Though we will not be changing the 'one year in advance' rule, we would like to find a solution to this 'midnight madness'. As a result, we are reaching out to you, our members, requesting your assistance in a survey. Please note the choices below, and reply by postal mail or email (placing your option # in the subject line).

- **Option # 1** Reservations may be requested by **email** exactly one year in advance beginning at midnight the day of; every request will be based on first come first serve.
- **Option # 2** Written requests may be sent by **postal mail** or **email** more than one year in advance, placed in a file corresponding to the week requested, then pulled on the day of and booked *at random*.
- **Option # 3** Written requests may be sent by **postal mail** or **email** more than one year in advance, placed in a file corresponding to the week requested, then pulled on the day of and booked *in the order received*.
- **Option #4** Every spring, members will receive a reservation request form in the mail for the following year which we will mail out on April 1st. Members must fill in their requested reservation week(s) (up to four options for each membership week) and mail back, as we will begin booking the reservations June 1st for the following year. All forms received during these dates will be placed in a file and pulled at random on the booking day. Any received after June 1st will be booked in order the forms are received (first come/first serve). Members will receive their reservation confirmation(s) through postal mail.

Eagerly awaiting your reply,

Amanda S. Butler
